De Leon Man Is Drowned In Leon River Sunday

Morlin Gilchrest, 45, prominent De Leon farmer, was drowned in the Leon River five miles southeast of De Leon, in the Ebenezer community, last Sunday afternoon. Gilchrest was attempting to rescue two of his own small children and a child of a neighbor who were learning to swim. He was regarded as a fair swimmer and it was assumed he was a victim of cramp. His son rescued the children but failed to save his father. The drowned man's body was recovered by divers thirty minutes after he sank. Efforts at resusitation were of no avail.

Gilchrest was almost a lifelong citizen of the community where he died, a son of the late A. E. Gilchrest. He was a prominent and successful farmer and one of the first men in the De Leon area to practice power farming. For a number of years he has operated peanut and grain threshing machines, and owned several of the most modern farm power units. His son, Vernon Gilchrest, is manager of a farm machine sales concern in De Leon. Funeral services for Gilchrest were held at De Leon on Monday afternoon.

Another Evening Of Entertainment Monday, Sept. 16

By Club Reporter

On Monday night, September 16 at the High School Gymnasium the Band Mothers Club will sponsor an Evening of Entertainment with two large tables of Bingo. This is perhaps the very last time this game will be played under the sponsorship of the club and it offers not only an evening of entertainment at little expense, but give an opportunity to everyone for an enjoyable social contact with additional groups that are not often thrown together, while aiding the very worthy movement to provide the Comanche Band with new uniforms.

The band will gather for a concert in front of the gymnasium preceding the games.

The Band Mothers appreciate very much the wonderful support the public in general has given the efforts towards raising the money for the new uniforms and hope to be able to announce soon that the goal has been reached. Come out Monday night for a full evening of entertainment.

Local Wholesale Grocery Is Open In New Building

The Comanche Wholesale Grocery Company moved into its new building and reopened here Monday morning, after losing only five weeks from the time that its building and entire stock was destroyed by fire.

The damage by the fire on July 29 was estimated at $50,000.

The new building, located three blocks south of the square on Highway 16, next to the Burton Brothers Warehouse, is a sheet iron building with a stucco front and is completely modern in every respect.

Henry Moore, president of the company says that he is well pleased with the speed in which the building was completed and the company restocked; enabling the firm to resume business after an absence of only five weeks.

Car loads of merchandise have been coming in for the last few days, and the stock will be entirely complete by the end of the week.

Higher Tax On Electricity Now

Electric service bills of Comanche residential and commercial customers will be increased slightly, effective with the next bills received, according to W. P. Murphey, District Manager, Texas Power & Light Company.

The Federal energy tax has heretofore been set at 3% and all of this has been absorbed by the company. The 1/3 of 1% increase is for defense purposes and will be added to this billing to residential and commercial customers in accordance with established rate schedules.

This Federal tax affects residential and commercial customers with bills exceeding $1.50 per month, but does not affect sales to governmental agencies or industrial concerns inasmuch as the tax does not apply to customers in these classes.

Recount Shows Chapman Wins

The Democratic Executive Committee recounted the vote in the F. L. Little-W. D. Chapman race for Commissioner of Precinct No. 1 in the Comanche Box No. 1 Thursday and found only a three vote change, Chapman losing 2 votes and Little losing 1. The recount showed Little 323 votes instead of 324 and Chapman 355 instead of 357. The recount in no way effected the result of Chapman's nomination which had been previously declared by the committee.

Little, with George E. Smith as attorney, appeared before a called session of the executive committee and asked that the vote be recounted. Chapman was represented by D. P. Parker. Both attorneys presented their arguments as whether or not the committee had authority to open the ballot box. Carl Stewart who was the tally clerk in Box No. 1 stated to the committee that he would appreciate their opening the box and recounting the votes. The committee voted 22 to 6 in favor of opening the ballot box and recounting the votes. County Chairman R. L. Lane appointed a committee of six to make the recount which found the result as stated.

COMANCHE OPENS GRID SEASON TONIGHT AT LOCAL PARK WITH STRONG WACO STATE HOME "11"

The Comanche High School Indians will open the 1940 football season here tonight at 8 o'clock when they meet the strong Waco State Home team.

The Waco eleven played a nine game schedule last season against Class AA, Class A, and institutional teams, and were undefeated, untied, and unscored on. They piled up a total of 279 points to 0 for their opponents.

The Waco State Home has eleven returning lettermen from last year's team, and these eleven will probably start the game against Comanche tonight.

Five lettermen will be on the starting lineup for the Indians in tonight's game, says Coach Glenn Frazier. Toby Davis, regular center, will be on the sidelines due to an old knee injury, but will likely see some action.

Early season injuries have hit the Indians rather hard. Cecil (Red) Cox, reserve half back, will be lost to the Indians for at least two weeks. George Huse, reserve fullback, and Donald Spears, who has been playing first string end, are nursing leg injuries, but will be ready to play some in the Waco Home game.

Billie Kemp, 185 pound letterman tackle, reported for practice Monday, and will be ready for tonight's game.

The starting Indian lineup will be around 153 pounds to an average of 139 for the Home eleven.

Coach Frazier and Assistant Dyer announce the probable starting lineup for Comanche: Ends, B. Edwards, 145 and Ritchey, 149; Tackles, Loudermilk, 190 and W. Edwards, 175; Guards, Rains, 157 and Laughlin, 142; Center, Fletcher, 145; Quarter, Marshall, 160; Halves, Albin, 145 and Milton, 120; Full, Coker, 175.

Gov. O'Daniel To Be In Comanche Next Wednesday

Governor W. Lee O'Daniel will be in Comanche Wednesday, September 18, according to a letter received by The Chief in which he stated he would visit Breckenridge, Eastland, Cisco, May, Comanche, and Stephenville on that day. The hour for O'Daniel's arrival in Comanche was not announced but as this city is his next to the last stop of the day, it is supposed he will arrive late in the afternoon.

It is not believed that he will make a speech here or attend any public function, his sole purpose being to interview Representative Frank Howington at the latter's home one mile east of Comanche as a part of his precedent shattering tour of the State to pay a personal call on mebers of the Legislature who convene next January.

Governor O'Daniel said that he would be accompanied on the trip, which will require four weeks, by Mrs. O'Daniel, and on the first stages by their sons, Pat and Mike.

The Governor said the calls he will make on the legislators will be purely personal, and that it was not his intention to discuss any legislative matters that might be up for consideration in January.

"You always get along better with friends than with strangers," he said. "I want to meet the members of the Legislature and their families in their homes."

Governor O'Daniel said he would make no speeches and attend no banquets while on the tour, but would devote all of his time to visiting the lawmakers in their homes. He said that his itinerary called for visits to the 12 re-elected members of the famous "56 Club" who blocked passage of the sales tax amendment which Governor O'Daniel advocated during the last session of the Legislature.

Pointing out that only 12 of the 56 were re-elected, three of them without opposition.

The yield of peanuts throughout the county, says Walter Durham, manager of the Durham Pecan and Peanut Company, will be about the same as that of last year; however, the acreage shows a sharp increase.

The Durham firm has been buying peanuts in South Texas for the last month and now has over 3,000,000 pounds here in storage.

The Government price on peanuts this fall has been set at 96c for No. 1's and 90c per bushel on No. 2's.

The first of the 1940 Comanche County peanuts began hitting the market last week. All peanut threshers are expected to be working by the end of the week. Real movement of the county's crop will get underway next week, with the peak of the market being reached around the first of October.

Odel Morris, acting relief pumper for the City of Comanche at Lake Eanes, was standing in the door of the pump station recently when he noticed a small rabbit about one-third grown hopping along near the station. Suddenly a snake grabbed the small rabbit and he began to squall. Here the snake got a surprise, because there appeared two full grown cotton tail rabbits and jumped on the snake and forced him to release the baby rabbit. Papa, mama and baby rabbit went off in a hurry, while the old snake took off to a lumber pile nearby for cover. This story was confirmed by Elbert Stewart, regular pumper who witnessed the odd occurence.

Recently Miss M. Moss, an instructor in West Texas State Teachers College at Canyon, Texas, mailed printed invitations to a number of her personal friends asking that they rejoice with her Tuesday, September 3 at 10 a. m. in the commemoration of the fiftieth anniversary of her conversion.

No better tribute could be paid Miss Moss than that of Lynn Landrum who wrote recently in his front page column—"Thinking Out Loud"—in The Dallas News as follows:

"Miss Moss believes in God as truly as she believes in breakfast. She can't get along without Him. God isn't a theological figure or a name in a creed. God is her Father. He was there when Miss Moss was born again.

To be sure, Miss Moss is always missionarying in a sense—her life is one of these epistles known and read of by all men that St. Paul talks about. But the invitation isn't a tract. It isn't anything at all except what it purports to be—an invitation to personal friends to be glad with Miss Moss, wherever they may be at 10 o'clock in the morning of September 3, 1940."

Like Achilles In His Tent.

—o—

It's not too much of our business but we have always understood that the Vice President of the United State had a fairly important job presiding over the United States Senate, and we have been led to believe that right now the Senate is working with problems as grave as any which ever confronted this country.

If we haven't been misled, it seems it might be in order for us to ask why Vice President John Garner has been sulking like Achilles in his tent down on his pecan ranch in Uvalde, when his job is in Washington.

Not everybody can get nominated for the Presidency, but it seems to us Mr. Garner's attitude should be that not everybody can get elected to the Vice Presidency, that we aren't one to be pampering anybody, not even a Texan who ran like a whirlwind in The Dallas News for the Democratic Presidential nomination and like an oxcart when the convention was called to order in Chicago.

Texans are supposed to be thick-skinned, tough hombres, but it makes us a little uncomfortable to meditate on thin-skinned John Garner who left Washington with his feelings hurt and has been sulking in Uvalde while the United States Senate sweats with tremendous problems.—Editor H. B. Fox, in Madisonville Meteor.

EAGERLY-AWAITED NEWS OF INVULNERABLE BRIDGE CLUB IS AT LAST FORTHCOMING

By Club Reporter

Perhaps one of the greatest exhibits of skill in performance of modern times was held last Thursday night, September 5th, in the home of the Sol Hoffman when the Invulnerable Bridge Club gathered for its semi-monthly tournament, and performed brilliantly in the difficult art of dealing, bidding, playing and slamming amongst the club members. The highlight of the evening was reached, however, when the refreshments were announced, and also the rules, which were, to-wit: one plate to a guest, and no snitching of potato chips allowed. These plates were very attractive, by the way, being a floweredy china-ware garnished with a salad and daintly embossed by a glass containing a beverage.

The evening's play was marked by one of the grandest slams known in bridge history when two of the lady members got together and began whispering hushed remarks about another lady-member's hat. It was terrific. High score prizes consisting of two sets of pyrex dishes were won by the Charley Marshalls and the Earl Evanses, both sets being identically alike to avoid trouble. Billie Dudney, whose playing during the evening was under par due to no fault of his own but only his partners, was presented with the low score prize, a fine can of oysters.

Mr. and Mrs. Cyril Isham were guests during the evening, besides the members: Mr. and Mrs. Bill Stephens, Earl Evans, Billie Dudney, Charley Marshall, and Sol Hoffman.

The next meeting of the club is scheduled for the night of September 19th in the home of Earl Evans, and members are requested in advance not to carry off the napkins.

Raymond Merworth Not Driver of Auto In School Bus Crash

Raymond Merworth of Beattie was not the driver of the automobile which was involved in a head-on collision with a Beattie school bus last week which resulted in the death of Billie Louise Buckmaster as published in last week's Chief.

Mr. Merworth was not at the scene of the accident at the time and had no connection with it. The Chief is glad to make this correction.

College Work To Be Offered Here

An opportunity for high school graduates of this section to take college work this fall and winter is being planned by Daniel Baker College, Brownwood. Under the plan, students who do not wish to go away to a college or university may stay at home and earn standard college credits of freshman or sophomore rank by attending evening or night classes twice each week here at the high school or some other favorable location.

The classes are designed for those, who for various reasons, will not go away to school. A small monthly payment plan enables the student college work at a minimum cost. Statistics reveal that many high school graduates now working in many lines of trade could better themselves with college credits.

Lions Entertain Teachers At Lake

The Comanche Lions Club entertained their ladies and members of the Comanche Public School faculty Tuesday night at Lake Eanes with a stew.

D. 1940, the same being the 14th. day of October A. D. 1940, then

Original Petition filed in said Court on the 4th. day of August A. D. 1940, in a suit, numbered on the docket of said Court as No. 8439, wherein V. G. Cash is Plaintiff, and Mrs. Kate King, Arlis Northcutt, Lena Rivers Keeter her husband Ferrill Keeter; Ollie Milligan her husband Ben Milligan; Earl King, Martine King, and the Unknown Heirs of Willis King, Deceased are Defendants, and said petition alleging

THE STATE OF TEXAS
COUNTY OF COMANCHE

In District Court of Comanche County, Texas. October Term, A. D. 1940.

To the Honorable Judge of Said Court:

Now comes V. G. Cash, plaintiff in the above styled and numbered cause, and with leave of the court first being had, files this, his first amended original petition, complaining of Mrs. Kate King, a feme sole; Arlis Northcutt; Lena Rivers Keeter joined by her husband Ferrill Keeter; Ollie Milligan joined by her husband Ben Milligan; Earl King, Martine King, and the unknown heirs of Willis King, deceased, hereinafter called defendants, and would respectfully show the following:

Mrs. Kate King resides in Comanche County, Texas; Lena Rivers Keeter, Ferrill Keeter Ollie Milligan, Ben Milligan, all of whom reside in Comanche County, Texas; and Arlis Northcutt and Earl King both reside in Winkler County, Texas; Martine King, whose residence is unknown:

On the 25th day of February A. D. 1938, defendant executed and delivered to plaintiff her promissory note bearing date on such day and year and thereby promised plaintiff to pay him, or his order, on or before the first day of October, A. D. 1938, after date, the sum of one hundred and twenty ($120.00) dollars, with ten per cent per annum interest thereon from said date and ten per cent attorney's fees upon principal and interest if placed in the hands of an attorney for collection or suit should be brought thereon, after maturity; which note reads as follows:

Comanche, Texas, February 25-1938 $120.00. On or before October 1st 1938 after date, for value received, I, we or either of us promise to pay to the order of V. G. Cash at the Comanche National Bank, Comanche, Texas, one hundred and twenty dollars, with interest at the rate of ten per cent per annum from maturity until paid. We, the makers, sureties, endorsers, and guarantors of this note, hereby severally waive presentment for payment, notice of non-payment, protest and notice of protest, and diligence of bringing suit against any party thereto, and hereby pledge his other separate estate for payment of this note and consent that time of payment may be extended without notice thereof to any of the sureties of this note. It is further expressly agreed that if this note after maturity is placed in the hands of an attorney or collector for collection whether suit is brought on the same or not, then and in that event to pay the owner or holder of this note ten per cent additional of the principal and interest thereon as attorney's fees or commission fees for collection. All exemption waived in any State of the United States. We reserve the right to charge this to the maker or security account when it is due if not looked after.

This note is given as part payment for Block No. 56 of the Original Addition to the Town of Comanche, Texas.

Kate King.

Plaintiff, being from such date the present date the legal owner and holder of such note, on the tenth day of October, A. D. 1938, after such note was due and payable, made demand on the defendant to pay the same, and defendant refusing, placed such note after such maturity in the hands of the undersigned attorney for collection, agreeing with him to pay him the amount as attorney's fees for his services in connection with such note, which is a reasonable amount therefor.

Though repeated demands have been made by plaintiff upon defendant to pay such note, interest and attorney's fees, the defendant has failed and refused and still fails and refuses to pay the same or any part thereon; to plaintiff's damage in the sum of $145.20.

Upon the 18th day of December, A. D. 1937 the plaintiff executed and delivered to the defendant and her husband, Willis King, a deed, granting and conveying to them the following described real estate, to wit: Block No. 56 of the Original Addition to the Town of Comanche, Texas. In said deed it was recited that $550.00 was paid in cash which is error for only $430.00 was paid in cash. After such deed was executed and delivered to the defendant, Kate King, her husband Willis King, died on or about the 9th day of February A. D. 1938, and at the time the defendant Kate King signed the above described note her husband was dead, and the above named defendants, Arlis Northcutt, Lena Rivers Keeter, Ollie Milligan, Earl King and Martine King are claiming some interest in the land above described.

That the said promissory note was given in part payment of the purchase price for such land so conveyed and to secure the payment, the Vendor's Lien was retained in such note.

Premises considered, plaintiff prays that defendants be cited to appear herein, and that on final hearing plaintiff have judgment against the defendants for the sum of $145.20, interest, and costs, for foreclosure of such Vendor's Lien and other of sale, and for such other and further relief to which he may be entitled either at law or in equity.

Herein Fail Not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Comanche, Texas, this the 5th day of September A. D. 1940.

Clerk, District Court, Comanche County.

Mrs. W. R. Slider Called By Death

Mrs. W. R. Slider, long time resident of Comanche and widow of a pioneer merchant of this city, died after an illness here Friday night. Interment was in the De Leon Cemetery Saturday morning with Rev. Gordon Barrett and Rev. E. M. Shepard of Comanche officiating.

Mrs. Slider was a member of the Baptist Church and for years was active in the work of the Eastern Star. She is survived by two sons, W. H. Slider and Lionel Slider of Comanche, and a sister, Mrs. A. F. Blue of Comanche.

The following sketch of her life is by Rev. Barrett:

Mrs. Theodocia Slider was born in Canton, Texas, May 15, 1865. Died in Comanche, Texas, Sept. 6, 1940. At the time of her death, she was seventy-five years, three months and twenty-one days old.

While a young woman, she was united in marriage to W. R. Slider. To this union six children were born; four sons and two daughters. Her companion, two sons and two daughters preceded her in death.

She leaves to mourn her absence, two sons, one sister, ten grandchildren, other relatives and many warm and affectionate friends.

Early in life she was converted and united with the Missionary Baptist Church. At least sixty of her seventy-five years of life were spent as a servant of her Lord and Master.

It was through the toils and cares of the deceased and her devoted family; as well as the toils and cares of many others, that we share the pleasures of a delightful little city in which to live.

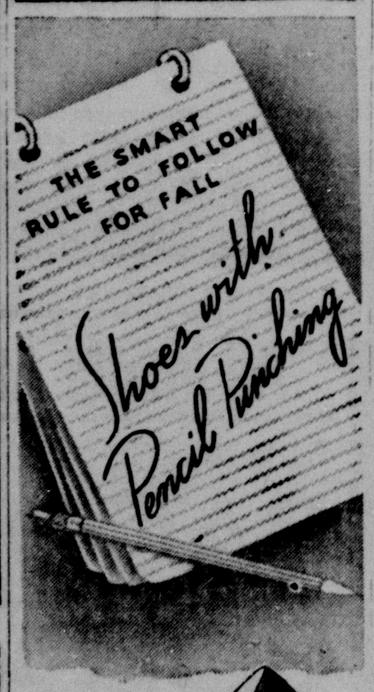

"When gathering clouds
around I view,
And days are dark, and friends
are few,
On Him I lean, who not in vain
Experienced every human pain:
He sees my wants, allays my fears
And counts and treasures
up my tears.

"If aught should tempt my
soul to stray
From heavenly wisdom's
narrow way,
To fly the good I would pursue,
Or do the ill I would not do;
Still, He who felt temptations
power
Will guide me in the dangerous
hour.

"And, O, when I have safely
passed
Through every conflict but
the last,
Still, still unchanging,
watch besides
My bed of pain, for thou hast died;
Then point to realms of
cloudless day
And wipe the latest tears away."

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Comanche County—Greeting:

You Are Hereby Commanded to summon A. J. Carter by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 52nd. Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 52nd Judicial District, to appear at the next regular term of the District Court of Comanche County, to be holden at the Court House thereof, in Comanche, on the 2nd. Monday in August A. D 1940, the same being the 14 day of August A. D. 1940, then and there to answer a petition filed in said Court on the 20th day of March A. D. 1940, in a suit, numbered on the docket of said Court as No. 8467, wherein Ophelia Carter is Plaintiff, and A. J. Carter is Defendant, and said petition alleging

Plaintiff alleges that on or about the 11th. day of June, 1935, she was legally married to defendant in Brown County, Texas, and lived with him as his wife until the 15th. day of July, 1938.

That plaintiff has been an actual bona fide inhabitant of the State of Texas for a period of twelve months, and has resided in Comanche County, where this suit is filed, a period of six months next preceding the filing thereof.

Plaintiff further alleges that at all times, while married to defendant, she has conducted her self with propriety, treated defendant with kindness and attention, and has been guilty of no act bringing about the following described acts and conditions on defendant's part.

That defendant, disregarding his marriage vow, and his obligation to treat plaintiff with kindness and attention, within a short time after their said marriage, commenced a course of unkind and cruel conduct towards plaintiff, which continued until he finally left her on or about the 15th. day of July, 1938. That on many occasions, while plaintiff lived with defendant, he was guilty of excesses, cruel treatment and outrages toward her of such a nature as to render their living together insupportable. That defendant failed and refused to support plaintiff.

That there have been born to plaintiff and defendant, one child, a girl, Shirley Carter, about four years old, who is now with plaintiff, that plaintiff is able to bring up said child properly, but defendant is not able to bring up said child properly.

Plaintiff prays that defendant be cited to answer this petition, and on final hearing plaintiff have judgment dissolving the marriage between plaintiff and defendant; that plaintiff have the care and custody of said child; and that proper and suitable provision be made for its support. And for costs of suit.

Herein Fail Not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Comanche, Texas this the 3rd. day of September A. D. 1940.

HUGH WHITE, Clerk, District Court, Comanche County.

FIRST METHODIST CHURCH

E. R. Gordon, Pastor

With the pressing demands that so many things are making upon us these busy days it is easy to let them crowd the church out of our lives. In fact they will crowd it out unless we deliberately plan that our church will have a decent portion of our thought and time. To make definite plans for other things and fail to plan for our church is to confess that we love other things better. It is to such persons that Christ said "... can not be my disciple"—(Lk. 14:26). If the church is worthy of anything we have it is worthy of the best we have. Make your church mean something to you and you will command the attention and respect of your children and friends for the church. If our young people do not lay much importance upon the church they got that idea and impression some where—I wonder where?

METHODIST CHUCH W.S.C.S.

The Woman's Society of Christian Service of the First Methodist Church held their charter meeting at the church Monday Sept. 9, with 35 members enrolled.

An impressive enrollment ceremony and installation service was led by the pastor, Rev. E. R. Gordon.

Refreshments of iced tea and cookies were served.

The Society will meet Monday, Sept. 16 in the home of Mrs. John Dillon, with Mrs. Merlin Jenkins, co-hostess for their monthly social. Mrs. George Clarke will lead the devotion.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables *functional dysmenorrhea* to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI'S principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

ANOTHER DRY HOLE?

In the constant search for new oil reserves in Texas, even the dry holes benefit the communities in which they are drilled.

They mean employment and wages for Texas labor, lease money for Texas farmers and ranchers and many other expenditures which benefit all lines of business.

2,300 dry holes were drilled in Texas last year at a cost of nearly 60 million dollars.

Since oil was discovered in Texas, 52,000 dry holes have been drilled in all sections of the State at an expense of more than one billion dollars.

This billion dollar research has already resulted in the discovery in Texas of over half of all the known petroleum reserves of the Nation. The creation of this wealth will benefit Texas citizens for generations to come.

Whether the oil man wins or loses, the community always gains.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually *gentle*, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

County Farmers Get $20,000 For AAA Soil Work

The 1939 AAA Program allowed Comanche County farmers $16.225 more than they received in 1939 according to J. W. Roberson, Jr., County Administrative Officer. Those farmers making application last year, had a maximum soil building allowance of $36,242.00 of which they earned $20,017.00.

In other words, the farmers passed up $16,225.00, explains Mr. Roberson.

Under the AAA Program, a maximum soil-building allowance is set up for each co-operating farm, based on the non-depleting cropland acreage, commercial orchard acreage and non-crop open pasture land acreage. To receive any of the payments from this allowance, the farmer must put into effect on his farm approved AAA soil building practices. The more conservation work he does, the more money he earns, up to the maximum allowance for the farm, Roberson said.

Comanche County farmers are all working toward earning the full allowance in 1940, Roberson announced. The dead line set to carry out these practices for 1940 is November 30.

ANNUAL BIRTHDAY DINNER CELEBRATED SUNDAY BY ZION HILL CHURCH GROUP

(By Zion Hill S. S. Committee)

The annual birthday dinner celebration by the Zion Hill Sunday School was held at Lake Eanes Sunday, Sept. 8th. Those celebrating birthdays in September were Ammi Tiner, Jno. D. Beaty, W. J. McCarty, Jr., Mrs. Ida McCarty, Mrs. Clyde Cottrell, Mrs. Opal Stewart, Mrs. Ned Stewart, Mrs. Opal Wilson, Mrs. Dee Burleson, and Dee Burleson. There was a total of 79 present at the lake, and 52 at Sunday School. This being an annual affair all were supposed to meet at the church and all the time necessary is taken for the regular Sunday morning lesson. Some whose birthdays were celebrated at this time, are regular attendants, some quarterly, some semi-annually, and some annualy. Now it isn't necessary to say that the fellowship hour was enjoyed by all present, and hope that the meeting will inspire us one and all of the need of the study of God's Word. David in the 122nd Psalms, said: I was glad when they same unto me: Let us go into the house of the Lord.

If you are in Sunday School with some other church, fine; we don't expect you. If not, we invite you to come and worship with us and be it remembered that this celebration will take place again on the second Sunday in September, 1941, and you are expected to be with us.

We were sorry that Mr. and Mrs. W. R. Carmack could not be with us on the above date, as that was their fortieth wedding anniversary and for our appreciation of them, and for service rendered in church and Sunday School, the good ladies were thoughtful to prepare a box of good eats and delivered it to them with our compliments and hopes that on their eightieth anniversary they can be with us and enjoy the day.
